DOLPHIN TRIP

Only 25 minutes by speed boat from hotel to Khanom area. There are four varieties of Dolphin species inhabiting these waters, most notably the Indo-Pacific Humpback Dolphin. Blood flow beneath their skin is the contributing factor in the adult Dolphin's unique pink hue. These Dolphins are wonderful acrobats and you will know doubt witness this first hand. Join us on an amazing day tour to see and experience the wonderful and rare pink dolphins. On the return journey why not stop by at Koh Tan and enjoy some Snorkeling, swim amongst a myriad of exotic tropical reef fish, fan corals and glide over enormous giant clams. You may even catch a glimpse of a blue-spotted stingray.
